

Fire Does Great Damage To The Ferguson Theatre

Once more the ravage of fire has visited Hamlin and once again the Ferguson Theatre has been blackened and damaged.

About 5:30 A. M., Thursday morning just as Nightwatchman, Elmer Brewer was passing down the alley way at the rear of the theatre, a burst of flame and hot air came from the rear doors, which evidently yielded to the pressure of an accumulation of extremely hot air.

The fire boys were called out and with quick work the flames did not get a good spread. But even before the alarm was given evidently the entire interior had suffered a scorching heat. The once beautiful curtain, the delicately tinted walls and ceilings and the hundreds of upholstered chairs were found to be a parched ruin.

It was an unusual fire. There seems to be not much evidence of where an actual blaze traveled, but everything from the rear to the projection booth appears as if they had been placed in an oven and baked.

The varnish and upholstery, from every chair from the front to the highest balcony, literally peeled off. The carpets were so parched they feel like one was walking on dried grass. The amplifier on the stages and the air-conditioning channel all suffered in the same manner.

What did all this and not cause more burned away timbers? That is a question that would take a military investigation to solve and then maybe it would not be determined. All anyone knows is that at some point after the heat started, there was an explosion, enough to bulge out the rear doors, and to move a can of floor-sweep from the stage towards the front where it landed up-side down next to the north wall on the eighth row of seats.

What the total damages to the building, its equipment and furnishings, was not ascertained at press time Thursday afternoon.

THE RITZ WILL BE USED

Mrs. Ferguson requests the Herald to say for her that the Ritz Theatre will pinch hit a few weeks until the big new place can be re-conditioned and replaced to be as good or better than before the fire.

Almost before the hot air left the building, Mrs. Ferguson had contractors figuring on starting the replacements. It will be a great job as everything in the house will require new work and quite a bit of new construction.

The Ferguson Theatre has passed through many trying ordeals, and each time re-appears bigger and better, and we may expect that this time.

Let this be understood—from the information of many who should know, the real cause of the fire, explosion, or whatever one may call it, is not known. It could have been one of several things, or a combination of things. It was just one of those things where a building, unoccupied for a few night hours catches afire. All that is sure, is that nobody seems to be able to fix anything "fool-proof."

Possibly the Ritz Theatre will operate full time now to furnish time for all the usual good shows that come Hamlin's way.

FISHER COUNTY CLUB NOTES

(By Jewell Hipp, Assistant H. D. Agent, Fisher County.)

The radio broadcast presented by Fisher County, Oct. 11, 1937 was given by Mrs. Sterling Willingham, of the Hobbs Home Demonstration Club and Mrs. Hugh Huckaby, Hackberry Home Demonstration Club. Mrs. Sterling Willingham gave a brief report on the improvements she made in her yard work this year. In beginning my yard improvement demonstration for this year, I found it was necessary to secure a yard plan.

After an inspection of my yard,

a yard plan was drawn by Miss Jewell Hipp, assistant County Home Demonstration Agent. This plan shows the correct number and name of specimens for Foundation Planting. A yard plan eliminates "guess work" since you can look at the plan and know exactly where and what to plant.

Following my plan, I put out Foundation plantings consisting of 12 Japanese Barberry, 12 Amor River privet, 4 Spirea, 5 Crepe Myrtle, and one Double Red Althea. I also set out a number of trees, such as Chinese Elm, Black Walnut and Black Locust.

I had some rose bushes in the front of the yard which were in correctly placed and marred the effect of the lawn. These were transplanted and placed in a Rose Garden. The Radiance Rose can be successfully grown here and furnish an abundance of roses.

A cutting bed properly made and consistently cared for will repay in shrubbery to beautify the home grounds. I made a small one this year in which I put cuttings of roses, crepe myrtle, amor river privet, salt cedar, honeysuckle, wisteria and grape vine cuttings.

Since I had some of my yard sodded with Bermuda grass, it was only necessary for me to level the yard by adding several loads of dirt. The lawn responded to the care given it by producing a nice lawn for the summer. A soft green luxuriant lawn besides adding beauty to the home grounds, also adds comfort to the home, for it reduces the summer temperature about the house through evaporation and lessened reflection. It also keeps down dust, glare, mud and weeds.

To complete the work we built an outdoor fireplace of rock. Since we had the rock, it was constructed at very little expense, and has been enjoyed. I made a hammock from barrel staves, using medium sized galvanized wire to string it with, a pad for the hammock was made from an old quilt and covered with awning material. This is a comfortable piece of yard equipment.

As a whole I have enjoyed my yard and learned many useful and helpful things. A nicely improved yard is a joy to the family and a pleasure to one who passes.

P. T. A. MEETS IN

HIGH SCHOOL AUDITORIUM

The High School P. T. A. held its first regular meeting Thursday night, Oct. 21, in the High School Auditorium. Mrs. Cherry, president presided. The meeting was given a good start with songs, led by Miss Harrell. Mrs. Teague, secretary gave a report, in which she summarized the work that has been done and the things that have been accomplished by the association since adjournment last spring. Mrs. Hudson gave an interesting report on the work done by the committee in Girl Scout work. We feel that our entire community is vitally interested in this work and are sure much will be accomplished along this line.

This concluded the business of the association and an interesting program was rendered. The Choral Club, under the direction of Miss Harrell sang two numbers. An instructive talk was given by Mr. W. L. Fletcher on the subject: "Why Parents Should Visit School." This was followed by a number of comments by Mr. Green, who very earnestly urged all parents to visit the schools.

Count was made and it was found that the Freshman class had the greatest number of parents present. Hence they received the \$1.00.

This concluded our meeting, and we adjourned to meet, the 3rd. Thursday night in next month.

—Publicity Chairman of P. T. A.

No soul is desolate as long as there is a human being whom it can feel trust and reverence.—George Eliot.

Dr. and Mrs. S. E. Shultz spent Sunday in Lamesa visiting his parents.

The Herald has Carbon paper.

4-H CLUB BOYS FILL TRENCH SILOS

(FLOYD LYNCH, Jones Co. Agent.)

4-H Club boys are filling a number of Trench Silos to feed their baby beef calves from, this spring. The demonstrations of filling a trench silo, for this week are:

Wednesday, Oct. 27th, at 3 p. m., H. L. Goff, 4-H Club boy of the pleasant Hill Community.

Thursday, Oct. 28th, at 9 a. m., in the Noodle-Horn Community.

Thursday, Oct. 28th, at 3 p. m., Roy Tennen, 4-H Club boy of the Neinda community.

DAIRY TESTING ASSO TO BE ORGANIZED

G. G. Gibson, Extension Dairyman of A. & M. College will be in Jones County on Tuesday, November 2nd, and will hold a meeting at 2:30 p. m., in the District Court Room at Anson, for the purpose of organizing a Jones County Dairy Testing Association.

It is hoped that all farmers who are milking a small herd, and all dairymen will attend this meeting.

There are twelve organizations of this type in Texas with one-hundred and fifty members. They have been functioning over a period of years, without a single failure, all of which is evidence that one could be profitable in Jones County.

GIRL SCOUTS

The Girl Scouts met in their regular meeting, Tuesday afternoon at 4:00 o'clock. The P. T. A. Scout Committee, also the Captain and Lieutenants met with us. The meeting was begun by songs, led by Constance Teague, one of the Patrol leaders. We had quite a few new members join, who were assigned places in the different patrols.

Miss Thompson, our Captain, introduced our guest speaker, Miss McCormick, State representative of the Girl Scouts, who gave a very interesting and enthusiastic talk on the Work and Accomplishments of this organization. Quite a bit of interest was shown and a hike was planned for our next meeting, which will be Tuesday afternoon of next week. —Troop Scribe.

Photo Contest Winners Announced

LONE STAR GAS SYSTEM ANNOUNCED WINNERS FOR FIRST WEEK OF PHOTO CONTEST

Ten winners for the first week of the 10 week \$1,250 amateur photograph contest being conducted by Lone Star Gas System were announced by judges this week.

The winners are J. D. Hall, Jr., Denton; Mrs. Stanley Fairly and Mrs. Mary Parks, Waco; Robert Schultz and M. Truman Seale, Wichita Falls; Emmett H. Karrer, Fort Worth; Alfred B. Emrick, J. W. Blanton, A. G. Koenig and Geo. T. Hudspeth, Dallas.

Winning photographs depict comfortable and cozy living in Texas homes from bed room and living room to kitchen and play room. Scenes included gas radiators, floor furnaces, and radiant space heaters in conformity with one of the principal contest rules that some type of gas heating equipment be included in the scenes submitted. Six of the ten winning photographs include children, adults, and animals; four were without any characters. All types of camera equipment from the inexpensive box type to more costly cameras were used in making the winning photos.

JUNIOR CARNIVAL, at Hamlin High School, Oct. 30, 7:30 p. m.

STAMFORD DEFEATS HAMLIN 19-0

Last Friday afternoon the Football game which everyone had been looking forward to for so long, with Stamford was played on Hamlin's field, the score being 19-0 in Stamford's favor.

By comparing the number of points of the two teams, according to their scores with Albany, Stamford was forty-one points ahead of Hamlin, because, Stamford beat Albany by a score of 14-0, and Albany beat Hamlin by a score of 27-0. Consequently, we think Hamlin did exceptionally good by holding Stamford down to less than one-half of the number of points that they were ahead of Hamlin.

The outstanding players for Hamlin were Morrison Nicholson, for his punting and field generalship. Hamlin's plays began to work due to the better blocking of the entire line. On the defense, the tackling was better than was expected with Charles Prater, Max Carlton, Morrison Nicholson and Bill Scott doing a great job of stopping Jones and Watson since these two boys had not been stopped all season. The defense was centered around Newell (Doby) Johnson, who time and again drove his man back into the interference making it easier for his team mates to make the tackles.

Friday afternoon, the Pied Pipers will play Rule on Hamlin's field. By comparative scores, Rule should beat Hamlin and will do so, unless the Hamlin boys change from the indifferent attitude they have displayed in their practices during the week.

Rule held the strong Anson team to two touchdowns and they scored once on Stamford. Hamlin will be outweighed about eight pounds to the man. Therefore, it will be a battle royal from beginning to end.

—Reporter.

GIRL SCOUT LEADER SPOKE TUESDAY

Miss Olive McCormick, of New York City, health and safety advisor on the Girl Scout National staff spoke to the general assembly of the Hamlin High School students in the High School Auditorium, Tuesday afternoon. The talk was given under Sponsorship of the Mothers Council Committee of the Hamlin P. T. A. which is sponsoring the Girl Scout work. While here Miss McCormick assisted in the completion of the organization of the Scout troop, and placed her approval on the troop and officers, giving official recognition of the organization.

Miss Ruby Thompson was elected captain with Misses Doris Pope, Harmona Shadle and Mrs. Raymond Jones, Lieutenants.

Since the organization, twenty-five new members have been added.

Sponsors and officers of the local troop will attend a training school which Miss McCormick will conduct in Abilene, Monday for leaders and sponsors in Girl Scout work.

ATTEND GRAND CHAPTER OF EASTERN STAR

Mr. and Mrs. Ira Clements are in El Paso this week attending the fifty fifth session of the Texas Grand Chapter of the Order of the Eastern Star. Mr. Clements, who is Worthy Patron of the Hamlin Chapter, will act as delegate for the local chapter in the state meeting. Mrs. Clements is Grand Representative of South Dakota, a commission which she received April 8, 1937 and which will last until December 3, 1939. Mrs. Clements will have part on one of the prominent programs this morning at a breakfast Wednesday morning at a breakfast of the Chapter.

Mr. and Mrs. Elmer Feagan and Mr. and Mrs. Harrison Feagan went to San Angelo, Sunday to visit their sister, Mrs. W. B. Fletcher who has been very ill, she is reported much improved.

JUNIOR CARNIVAL, at Hamlin High School, Oct. 30, 7:30 P. M. ADMISSION 10c

HAMLIN MISSION NOTES

Beginning Saturday night, Nov. 6th, we will begin a revival campaign with Rev. L. K. Malone doing the preaching. Bro. Malone is too well known to need any thing said with reference to his character and style of preaching. Every one knows him to be an honest, hard working, old-type of old-time religion; a production of that system, has never departed from it.

A hearty welcome to every minister, and layman alike to attend these services, and feel perfectly at home. We owe a debt to those less fortunate than we who know the value of the touch of the Master's hand, and let's pass it along.

Services will only be at night, from 7:00 to 8:15. We will endeavor to make our services, brief, and interesting.

Dr. L. P. McCrary, M. D.

METHODIST CHURCH

Sunday School at 9:45.

Let each one be in his or her place on time.

Preaching at eleven. Subject: "The Blessedness of Disappointments." The Leagues meet at seven. Preaching at 7:45. Subject for the evening hour: "True Happiness." We are anxious to make Sunday our Jubilee Sunday, an outstanding success. The Conference year closes November 1. That is we count our conference year from November 1st to November 1st. We have a good opportunity to pay all obligations in full by that time. Of course we will have to receive a real good collection Sunday. If we pay out in full Sunday that will give us a good start on the next Conference year. Our Presiding Elder will hold the Fourth Quarterly Conference next Sunday night, the 1st.

We want to be able to report everything paid in full at that time. So if you have pledged anything to the church, please try to bring it Sunday. Remember we are not going to take any special offering. Just pass the plate as usual. We feel that each member is anxious to pay every obligation at that time. So let each one do his or her best. Thanks.—H. W. HANKS, Pastor.

COTTON REPORT FOR JONES COUNTY

The report on cotton ginned in Jones County, gives this County 29,683 bales ginned up to October 18, 1937.

The 1936 report to the same date was 25,132 bales, giving a gain in 1937 of 4551 bales to October 18.

Frances: Oh I adore that funny little new step you have acquired. Where did you pick it up?

Hubby: Funny step, nothing. My suspenders just busted.

JUNIOR CLASS TO PRESENT ANNUAL EVENT

FUN AND ENTERTAINMENT FOR ALL; JUNIORS EXPECTING A LARGE CROWD

—GREETINGS from the JUNIOR Class of the Hamlin High School.

We wish to extend to the public (and that means YOU) a very cordial invitation to attend the Junior Carnival at the High School, Saturday night, Oct. 30, 7:30. A dime will admit you to the building and all the fun and entertainment. Included on the program is the presentation of "stunts" by the four classes of high school and a first class stage show. As a fitting climax to the festive event, the Queen of the High School will be crowned in a very impressive and beautiful ceremony. Yes, all of this for only one dime. Also there will be a great variety of other entertainments offered during the evening.

The Little Mexico booth was so successful last year at the Junior Carnival that it will be brought to you again this year. Flashing-eyed, flirting Senoritas will serve Mexican style food as delicious as that served in the Old Country, or they will serve equally delicious American food.

If you like thrills, chills, and goose pimples, don't fail to see the new Bughouse. You have seen Bughouses before—but never so buggy as this one!

The Junior Class has also brought to you Madame Chiavana Chandra who has come from Egypt for her first and only public appearance in the United States. For many years she has guided the destinies of European nobility and she is now brought to you through the efforts of the Junior class of Hamlin High School. Let Madame Chiavana answer questions of your past, present or future.

The Juniors are sponsoring a souvenir booth in order that you may have something to remind you of the gayest, giddiest carnival ever held in Hamlin, something that you will treasure for years to come.

Don't fail to attend the Junior Carnival at the Hamlin High School, Saturday night, October 30, at 7:30. One dime will admit you to that greatest of all events. Come and bring your friends.

—Co.tributed.

JUNIOR CARNIVAL, at Hamlin High School, Oct. 30, 7:30 P. M. ADMISSION 10c

McCAULEY MATTERS

By JOHN P. HARDESTY

J. B. Jayroe, who is working at Lamesa, accompanied by several relatives, visited with his mother and other home-folks here over the week-end.

J. E. Griffin and family are moving to their new home in Phantom Hill Community, this week.

The Baptist congregation of the McCauley church dismissed its evening service last Sunday and visited the Hamlin church. Pastor John P. Hardesty preached the sermon, after which Brother Littleton, Hamlin pastor, baptized three, one of whom Mrs. Frank Houghton, is a member of the McCauley church. Those who attended these services greatly enjoyed the fraternal fellowship that is so manifest between these two churches.

The McCauley Baptist Church has set the first Sunday in August, 1938 as the date for their revival meeting, and have secured the services of Rev. P. D. O'Brien, of Stamford and Mr. Roy Camp of San Angelo, as preacher and singer respectively, for the meeting. The church decided not to have a winter meeting as has been the custom for several years.

The McCauley Methodist Charge, under the pastorate of Rev. J. R. Bateman, will have a rally next Sunday at Boyds Chapel. Dean Berger of McMurry College, will be the 11:00 o'clock speaker. Rev. H. W. Hanks, Hamlin, will preach at 3 P. M. A covered dish lunch will be served at the noon hour.

In the selection of officers for the County Interscholastic League for this year, Supt. D. L. Smith was chosen Vice-President and Miss Vera Tate was chosen Secretary and Treasurer. Mr. Smith was also made director of debate. Both of these are McCauley teachers.

The McCauley school was heard over station KRBC, in "The Voice of the Public Schools," on Wednesday afternoon.

The "Battens," traveling musicians, gave a program at the school Friday.

A three-day membership campaign

last week resulted in 42 new members for the P. T. A. The co-operation of all the friends in this campaign is greatly appreciated.

Miss Ila Carlton was able to return to her home Tuesday from the Hendrick Memorial Hospital in Abilene, where she underwent an operation for appendicitis. Miss Carlton was seriously ill when taken to the Abilene Hospital and her friends are happy to know that she is recovering.

Curiosa Americana

By Elmo Scott Watson

"The Man Who —"

PRESIDENTIAL campaign year—national conventions—"favorite sons"—nominating speeches . . . speeches "seconding the nomination."

Even when the occupant of the White House is a candidate and his nomination is a foregone conclusion, the oratory goes on and on and on for hours and hours and hours.

By contrast, consider the Republican national convention in Chicago in 1868. Its committees had reported and its delegates settled down to the real business at hand. Gen. John A. Logan of Illinois rose. "Mr. Chairman, are nominations now in order?" he asked. "They are," was the reply.

"Then, sir, in the name of the loyal citizens, soldiers and sailors of the great republic of the United States of America; in the name of loyalty, of liberty, of humanity, of justice; in the name of the National Union Republican party; I nominate, as candidate for the chief magistracy of this nation, Ulysses S. Grant."

The delegates sprang to their feet. Their cheers shook the convention hall and drowned out the bands that were playing madly. When at last the roar of applause died down, the roll of the states was called. At the end the chairman announced:

"Gentlemen of the convention, you have 650 votes. You have given 650 votes for Ulysses S. Grant."

Thus John A. Logan's nominating speech was the shortest in the history of the United States and Ulysses S. Grant's nomination was the quickest.

SHEEP MOVEMENT SOUTHWARD ADDS NEW CASH CROP

—(This is the seventh of a series of short articles on livestock production and feeding, published as a service to stockmen and farmers.)

A southward movement of the sheep industry into the Cotton Belt States, and the increasing importance of the range sheep industry in the Southwest, are interesting developments of recent years.

Natural advantages of the South for sheep production are receiving recognition from sheepmen throughout the nation. The "Sheep Breeder," a national publication, recently commented: "A great spring lamb production industry is developing in Kentucky, Tennessee, Virginia, Georgia and other southeastern cotton states. You find a great interest in the Old South today in lamb production campaigns, in breeding ewes in large quantities; and packers are buying new plants and reopening closed ones. The advantages of the South in long pasture season, little required sheltering, and cheap labor promises

them profitable returns."

OTHER ADVANTAGES

Another advantage of the South in wool and lamb production is the availability of a cheap protein, in the form of cottonseed meal or cake that is essential for the economical production of wool or mutton.

The South has much waste land, in fence-corners and on hillsides or in timbered sections, that can be profitably utilized by sheep. The ability of sheep to graze land that cannot be grazed efficiently by other classes of stock is one of their greatest assets.

Sheep can live on pasture that will not support other stock and are very useful in cleaning weeds out of pasture. In addition, the habit of sheep occupying bare spots when not grazing improves the fertility of the soil and helps to spread grass over bare areas.

FATTENING LAMBS

Mixtures of cottonseed meal, cottonseed hulls, ground grain and molasses are excellent for feeding lambs for market. Lambs can be started on a mixture of 85 per cent cottonseed hulls and 15 per cent cottonseed meal. After 10 days, this should be changed to 75 per cent molasses and 15 per cent meal. Machine mixing of the feeds has given best results.

After lambs have been on feed two to three weeks, ground grain is added gradually and the amount of hulls in the mixture reduced in the same proportion. Any of the common farm grains may be used. Lambs on full feed should eat about 3 pounds, daily per head, of a mixture of 15 per cent cottonseed meal, 10 per cent molasses, 25 per cent ground grain and 50 per cent hulls. Toward the end of the feeding period, the quantity of grain may be increased to about 35 or 40 per cent, and the hulls reduced to about 35 or 40 per cent, with the proportion of cottonseed meal and molasses unchanged. From 1-2 to 1 per cent of finely ground limestone or oyster shell flour is needed in the mixture at all times.

By using available feeds and taking advantage of the South's natural assets for sheep production, Southern farmers can utilize their own land more efficiently and add wool and lambs as sources of income.

HEAR YE HEAR YE

Have you been waiting, listening, and longing for news of that Good Ole Hamlin High School Senior Class? Well, here they are, in full force—all 80 of them, ready for action and full of pep and vitality!

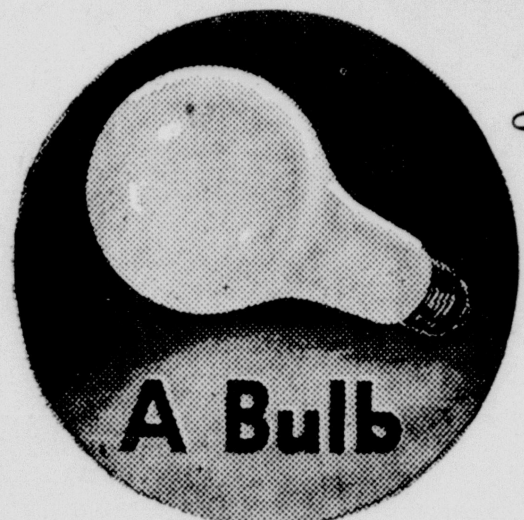

Folks, if you really appreciate the good things in life, you'll make a special trip to the "SENIOR CLASS TOP HAT NIGHT-CLUB." You know how expensive night clubs usually are, but it is the desire of this class to give you a real night club, with a real orchestra, and an exclusive floor show for the small admission of five cents. However, there will be refreshing drinks, dainty food and French candy served in an atmosphere of gaiety, fun, music

and moonlight. There will be a complete change of floor show every thirty minutes, with Billie Jean Caskey, the Senior tap dancer and ball-room entertainer, bringing you the latest steps from Broadway. DeFrance Burton will really thrill you with his trumpet solo, and our trio, M. Y. Wilson, Constance Teague and Phyllis Milsap, will enchant you with their soft voices. Romance and wholesome fun will prevail in every appointment. Clifford Reynolds will act as the Master of Ceremonies—and all we can say is, "If you like Jack Benny, you'll simply adore Mr. Reynolds." Phyllis Gay Milsap and Constance Teague along with their singing, will act as hostesses of the night club, and they will be very appealing and alluring as always. The following Senior girls will act in many ways to serve you: La Nelle Sledge, Lois Ellen Stell, Mary Emily Eakin, Elouise Riddle, Ada Jane Howard, Virginia Sue Flowers, Wilma Redus, and Lucille Carr. Dorothy Jane Bailey and E. J. Whaley will act as attendants. Roy Edwin Tims, the boy with the big smile and winning ways, will be the man who barks for the night club and takes the dough when you enter. If you wish to check your hats and wraps, we'll see that that's taken care of.

Folks, we guarantee you \$1.00 worth of fun for one small nickel.

We want to buy one hundred photos showing interior views of homes of this section. Each photo submitted must include a view of gas heating equipment. Note the sample below and read the five simple rules of the Contest conducted by your gas company.

A prize of \$10 will be awarded EACH of the TEN BEST PHOTOS submitted each week. At the close of the TEN WEEK PHOTO CONTEST four additional grand prizes of \$100, \$75, \$50 and \$25 will be awarded the four best photos submitted.

This sample photo shows a modern gas floor furnace installed in the living room of one of our customers.

5 Simple Rules of the "Heating Photo Contest"

1. All photos must include a view of the gas heating equipment used to heat the room or adjoining room in which the photo is taken. (See sample).
2. The house in which you reside must receive its gas service from one of the companies of Lone Star Gas System and all photos submitted in the TEN WEEK CONTEST must be taken in a home served gas by one of the companies of Lone Star Gas System. These companies are: — Lone Star Gas Company; The Dallas Gas Company; County Gas Company; Community Natural Gas Company; Texas Cities Gas Company.
3. Employees of any company of Lone Star Gas System and their immediate families and professional photographers or persons engaged in the business of making photographs for commercial purposes are not eligible to enter this Heating Photo Contest.
4. All photos submitted must have your name and address (including the town) PRINTED PLAINLY ON A SEPARATE PIECE OF PAPER AND PASTED TO THE BACK OF EACH PHOTO ENTERED IN THE CONTEST.
5. All photos submitted should be delivered to your local gas company office or mailed to LONE STAR GAS SYSTEM, ADVERTISING DEPARTMENT, 305 S. HARWOOD ST., DALLAS, TEXAS.

The contest is for a TEN WEEK Period from October 11, 1937 to December 18, 1937 (inclusive). All photos submitted will become the property of Lone Star Gas System to be used as desired by the company. Photos entered in the contest will not be returned and weekly prize winners will be advised by letter. At the close of the ten week contest a complete list of prize winners will be available for your inspection at your nearest gas company office.

John Brown has "a cold"

John Brown is a man you know. He guards against all things that might endanger his health and well being. He never steps on the soap in the bath tub. He is careful to observe all traffic laws. If he cuts his finger he immediately protects it against infection. John Brown is usually a careful man. — But today John Brown has a cold that threatens his future health.

Like many others who catch cold during the winter season, John Brown overlooked the dangers of a sudden change of temperature. Last night he went from his warm and cozy living room to answer the telephone in the UNHEATED, adjoining room. Today John Brown, careful in all other things, has a cold.

Guard against "colds" and the dangers of sudden changes of temperature that encourage them. HEAT YOUR ENTIRE HOUSE FOR YOUR HEALTH'S SAKE.

Points and Personalities

by doris pope

There's an old saying, "When in Rome, do as the Romans do," that can well be applied to Hamlin or any place. In traveling from town to town, state to state, or nation to nation, we discover that customs and ideas vary greatly; in order to adapt ourselves, we, too, must change. Recently we have noticed how many people are so stiff and unadaptable that, when placed in unfamiliar surroundings, they actually cut themselves off from friends and society and become very critical and unpleasant. They are either selfish, prejudiced and ignorant or have a definite "yen to be different"—well, they are different, so much so that people ridicule them and avoid them. Certainly that's a fate that no one looks forward to, so let's check up on our "sociability" and "when in Rome, do as the Romans do."

The tailtwister of the Lions Club

of Hamlin has recently been acclaimed an authority on Columbus Day, (October 12.) If there's anything you wish to know about this day, we refer you to him.

Plans are "brewing" in our fair city—have you noted how many young ladies are buying silver, dishes and linens? We think you've got something there.

What handsome young man with very blue eyes, who holds a much publicized position in Hamlin and who "dates" young ladies that live next door to each other, made the very grave mistake this week of making a date with one fair lady and calling at the door of the other? Perhaps a neat sign or a change of neighborhoods would solve the situation.

According to two oil men of our city, a very attractive brunette beauty operator, whose name reminds us of the weather we would like to see, might be justly awarded the title, "Miss Popularity."

The suggestion has been made that a certain prominent young couple who talk so much about keeping yards clean take a glance at their own.

We wonder how many people lost bets on the recent Chamber of Commerce battle?

Yes, a change of scenery often helps the disposition. If you don't believe it, just note the big smile a certain young cafe man is sporting since he visited "his girl," formerly of Hamlin, in Amarillo, this week.

Was it amnesia or "love" that caused a prominent manager of a ready-to-wear department in a local store to don her bonnet at 10:15 A. M. and start home to lunch? (Somebody suggested that maybe she didn't eat breakfast on that particular day.)

What charming, auburn-haired, business woman received a public "tongue scorching" from a young man of a neighboring city because she had been "trifling?"

We see that a prominent young married man has either been "lagging" or has forgotten his staunch declaration that "no wife of his was ever going to work."

Don't forget the JUNIOR CARNIVAL, October 30, 7:30 P. M., at the High School. Only 10c for a night of fun and entertainment!

make a good economical combination — both of them cost but \$1.75 for a full year. Come in, let's go.

Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling the germ-laden phlegm. The Medical Profession has for many years recognized the beneficial effect of Beechwood Creosote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist, for blending Creosote with other ingredients and now in Creomulsion you get a real dose of

genuine Beechwood Creosote which is palatable and can even be taken frequently and continuously by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel the germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed, and if you are not satisfied with the relief obtained, the druggist is authorized to refund every cent of your money. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief that you want. Adv

—53 YEARS IN JONES CO. HAMLIN

G. C. O. CLUB

Mrs. L. M. Pylate was hostess to the G. C. O. Club in her home on Lake Drive, Wednesday afternoon when she entertained members of her club and three guests, Mmes. A. M. Hood, G. R. Brumingham and G. C. Turner; with three tables of bridge. Five games of contract were played, with Mrs. R. P. Holly winning high score.

At the conclusion of the play, a plate holding pumpkin pie, topped with whipped cream and nuts and iced tea was passed to the following members and guest: Mmes. R. F. Andrus, A. B. Young, Roy Haynes, T. E. Jones, C. A. Thompson, J. T. Young, Tom Vaughan, R. P. Holly, A. M. Hood, G. R. Brumingham, G. C. Turner.

MRS. DAY HOSTESS

TO TUESDAY CLUB

Mrs. John T. Day was hostess to the Tuesday Club and other guests in her home on Central Avenue, Tuesday afternoon. A Halloween motif was featured in tallies and all appointments. In the contract games Mrs. J. L. Keen held high score.

A salad course with coffee was served to Mmes. H. O. Cassle, D. O. Sauls, J. W. Ezell, J. L. Keen, W. J. Poe, J. C. Culbertson, R. B. Wiard, R. H. McCurdy, J. P. Morgan, W. F. Johnson and Miss Pearl Whiteley.

Mrs. Day was assisted in entertaining by her daughter, Mrs. Garland Tumlin.

MRS. WELLS ENTERTAINED

BLUE BIRD CLUB

Mrs. F. D. Wells entertained the Blue Bird Club in her home on Jackson Avenue, Tuesday afternoon with two tables of contract in play. A Halloween motif was used in game accessories and repeated in the attractive refreshment plate. High score was made by Mrs. Art Carmichael.

Following the games a salad plate with pumpkin pie and coffee was served.

Those playing were Mmes. Art Carmichael, John Ed Day, M. T. Woodward, Arice Jones, R. E. Johnson, Elmer Feagan, Paul A. Fowler and Bob Low.

BETA THETA CHAPTER

ANNOUNCES PLEDGES

Beta Theta Chapter of Beta Sigma Phi announces the pledging of Mrs. Gerald Morgan and Miss Nadine Morgan.

Formal pledging will take place at a banquet to be held in their honor next week.

The regular chapter meeting was held at the home of Miss Edwina Gilbert, Thursday evening of last week.

Following a business meeting, members entered into a program of general discussion on the theme, "Poise and Charm," led by Mrs. Turner Bynum, director.

Rushes were invited guests. A salad plate was served.

KNOW TEXAS

By F. L. McDONALD, T. S. C. W. NEWS BUREAU, DENTON

PLENTY OF AMMUNITION

DENTON, Oct. 26.—Unsuccessful road shows would steer clear of Cherokee and Smith counties if they knew how many ripe tomatoes were produced there. These two counties grow more tomatoes than any other section of Texas, and Jacksonville, of Tomato Festival fame, is the leading tomato shipping city of the South. The colorful vegetable is also grown in the Valley and on the coast, but East Texas ships out more than half of the total produced, which is 3,075,000 bushels.

OLD WORLD ROMANCE

Legends of gallant Prince Carl and lovely Lady Sophia surround the old German town of New Braunfels. History relates that after a

few German settlements were made over here in 1840 an "Association for the Protection of German Immigrants in Texas" was formed of 20 odd princes, counts, barons, and noblemen in Germany. The association bought a grant near Comal Springs and in 1844 Prince Carl of Solms Braunfels led them to America, where they founded their first colony west of Guadalupe. Erecting a log castle for Prince Carl the colonists christened it Sophienberg in honor of his sweetheart, Lady Sophia. Fostering a government like that of the old country, Prince Carl stayed in Texas ten months. His counselors made a strangely mixed society, with a Count as a grocery man, a Baron on a farm, another Baron dispensing beer, and others in odd jobs. After Texas' annexation the Prince returned to his ancestral castle in Braunfels.

THE REST OF THE RECORD

BY JAMES V. ALLRED
Governor of Texas

As this column is written, the Legislature has only three more days of actual work. I don't know whether they will have passed any substantial tax bill for the people's program. At this time the outlook is very doubtful.

In any event, it seems to be conceded that I was right in refusing to submit appropriation bills which some of the Senators said they wanted to revise after they had voted for them during the regular session. On Tuesday of last week one of the leading writers for a big daily said my judgment that the submission of appropriations was impractical had been vindicated by the action of the Legislature itself.

The record shows that after some of the Senators had told through the newspapers about what they would do if I submitted appropriations to them, they suddenly decided that I had done so and accordingly considered economy wide open to them. The Senate passed one bill affecting the state departments without a hearing and sent it over to the House. Then they admitted the bill would have to be worked over BUT they didn't do anything at all with reference to economizing on the education bill which they had voted out last spring with the biggest increase of all the appropriation bills. Furthermore the Senate did nothing on the judiciary bill which had substantially increased the salaries of all the judges.

These bills didn't even get out of committee and Senator Stone, who had been one of the loudest of all in saying that he would economize, voted to put off any hearing on these bills, even in committee.

With only eight days left to work, the House of Representatives passed a resolution asking me to submit appropriations for economy; BUT even the author of the resolution said on the floor that his purpose was to "put the monkey" on the Governor's back.

I knew that if I were to submit appropriations the Legislature could not revise them intelligently in so short a time when they had considered appropriations for four months before. I also knew that to get the subject on the calendar would block absolutely the chances of passing any tax bill to finance the old folks, the blind, the dependent children, and our part of the teachers' retirement system.

Of course, not even those who have been talking so loudly about economy claimed for a moment that they could finance by economy the aid to the blind, to dependent children, the old folks and the teachers. All they could hope to do even if they passed economy bills would be to reduce the deficit in the general fund out of which the general operation of the government is paid.

There has been so much talk about how much money the so-called "economist" could save by abolishing the liquor board that I want the people to have the facts.

In the first place, we wouldn't have any enforcement law. In the next place, the present administrator, Bert Ford, collected in his first ten months of service a million dollars more than was collected in the preceding ten months. Thus, he has collected enough additional money in ten months to more than pay the operation of his entire department for over a year and enforced the liquor law in addition.

U. S. NAVY BAND WILL GIVE CONCERT IN ABILENE

The famous United States Navy Band will give two concerts in Abilene, at the Hardin-Simmons University Auditorium, on November 5th. The event, a treat for music lovers of West Texas, will attract large audiences, matinee and night.

The noted Navy Band is coming to Abilene for its first West Texas engagement, and music lovers can look forward to brilliant programs by this organization, under the direction of Lieut. Charles Benter.

The navy band concerts are the first of the Artist-Course numbers to be offered during the winter season by the Hardin-Simmons Concert Bureau. Other numbers include Ted Shawn and Artists, the Vienna Choir Boys, Salzburg Opera, Ballet Russe, and Kubelik.

The Navy Band's concerts will

include a matinee, especially for school children, at 3:30 o'clock and an evening program at 8:00 o'clock.

Tradition links military music with army and navy life, and the first band of the U. S. Navy dates back to 1838. Made nationally popular by its World War activities, the Navy Band has been permitted to make annual concert tours since 1925. It has appeared for concerts in most American cities, and is featured four times weekly on radio networks.

Its appearance, in Abilene at popular prices, is by arrangement of the Hardin-Simmons Concert Bureau, and admission is 40 cents for students, and 75 cents for adults at the matinee, and 75 cents and \$1.00 at night. Tickets are on sale now, and reservations may be made with G. B. Sandefer, Artist Course manager, Hardin-Simmons University, at Abilene.

BOYD CHAPEL CHIRPS

Mrs. EARL BROWN, Correspondent

The farmers are very proud of the fine weather we are having to gather the good cotton crop they have.

Grandpa Bingham who has been visiting with some of his other children, is at the home of his son, J. P. Bingham at present.

Mrs. L. F. Wood and brother George Harris of Abilene spent the week-end with their brother, Luther Harris and family in Ponca City, Oklahoma.

Ernest Cozzen is visiting in Lamesa with his brother, Jack Cozzen.

Mr. and Mrs. Alvin Dean attended the home coming services at the Church of Prairie View, Sunday.

Mrs. Fred Hillier and son of Hamlin spent the week-end with her parents, Mr. and Mrs. Bob Young.

Mrs. H. E. Wood is at the home of her daughter, Mrs. J. P. Cornelius this week.

Mrs. Louis Brown and children of Hamlin spent the week-end with Earl Brown and family.

The B. Y. P. U. and preaching services were enjoyed by an unusually large crowd Sunday evening.

The P. T. A. met on last Thursday evening. A large crowd enjoyed the games directed by Mrs. Buster Bingham and Mrs. Earl Brown. The program committee for the next meeting is Mrs. J. P. Cornelius and Mrs. L. F. Cozzen.

The McCaulley Charge will have a Charge Rally at our church on next Sunday. Principal speakers will be Mr. Connell of Anson and Rev. Hanks of Hamlin. A picnic lunch will be served at noon.

Health-Wrecking Functional

PAINS

Severe functional pains of menstruation, cramping spells and jangled nerves soon rob a woman of her natural, youthful freshness. PAIN lines in a woman's face too often grow into AGE lines!

Thousands of women have found it helpful to take Cardul. They say it seemed to ease their pains and they noticed an increase in their appetites and finally a strengthened resistance to the discomfort of monthly periods.

Try Cardul. Of course if it doesn't help you, see your doctor.

SAFEGWAY STORES

LOCAL NEWS FROM FAR AND NEAR

(By TRESSIE BROWN)

S. T. Johnson, of McCamey spent the week-end here visiting relatives. He was accompanied home by his wife who has been staying here with his mother, Mrs. A. P. Johnson for several weeks.

Mr. and Mrs. Virgil Reynolds were happy Sunday to have in their home all of their children and grandchildren.

Miss Grace Johnson spent the week-end with Miss Tressie Brown. Mr. and Mrs. Lee Decker were honored with a wedding shower, on Wednesday afternoon.

The three Brown sisters, Lou, Eunice and Tressie, were entertained Sunday afternoon by the "Moss Trio," Elaine, Zellume and Evelyn of McCaulley. These three sisters are noted for their good singing and entertaining ability.

Mrs. A. P. Johnson and daughter, Miss Stella visited in Hamlin, Sunday.

Fred Carson of Water Valley is here visiting kin-folks and friends in and around Hamlin.

HEALTH NOTES

(By Geo. W. Cox, M. D., State Health Officer.)

COMMON COLDS SHOULD BE GIVEN PROMPT TREATMENT

Austin, Texas, Oct. 26.—"Beware of the common cold," Dr. Geo. W. Cox, State Health Officer, cautions the people of Texas. "This is the season of the year when colds are most prevalent, and their consequences more far reaching. The organism causing the disease is not known, but every individual is acquainted with its effects."

"Not a little of the susceptibility of catching colds can be overcome by a gradual acclimating to the lowering temperatures and inclement outdoor weather. This hardening should begin now, and consist of

regular exercise—walking is good—to be continued throughout the winter in weather of every kind. One should be careful to avoid wet stockings drying on the feet, over-heavy clothing and over heated rooms."

"There are two broad principles to observe in the treatment and prevention of colds. The first says: 'Let every person with a cold consider it seriously. Every cold should be regarded as the possible beginning of a serious illness. That means seeking a physician's advice and explicitly following his directions. If he orders bed, then bed it should be. Complete rest is a fine way to overcome a cold in short order.'

"One's resistance to many diseases, including colds, can be raised by increasing one's vitality through observing the fundamental rules of health: plenty of fresh air, good wholesome food, neither too much nor too little, sufficient rest and the avoidance of habitual over indulgence of de-vitalizing stimulants, including alcohol, tobacco and the like. 'The cold is a common disease,' Dr. Cox repeated, 'but every cold is

important enough to justify careful attention and treatment for its immediate cure. Death dealing pneumonia and tuberculosis may begin with colds that do not receive care and attention."

BETHEL 4-H CLUB

The Bethel 4-H Club girls met on Friday, Oct. 15, 1937, with their Agent, Miss Hargrove, at the home of Mrs. Davenport, for a cooking demonstration, the dishes she taught us to cook were: chicken salad, creamed chicken and chicken sandwiches. We enjoyed the demonstration very much.

Those present were: Maxine Smith, Neva Dell Niell, Juanita Bruner, Jackie Barton, Verla Jo Bruner, Dorothy Nell Jenkins, Willia Fay, Niell and Lydia Dora and O'Neal.

The girls of the Bethel school H Club will meet again Friday, Oct. 28, with Miss Hargrove. We hope to enjoy all these meetings and will work hard. Co-operate with her.
